About

Fullstack Web Developer with a strong passion for building scalable and efficient web applications. Experienced in developing end-to-end solutions with a solid understanding of business logic and application workflows. Possess 3 years of hands-on experience through SMK majoring in Software Engineering (RPL), resulting in a strong foundation in web development. Proficient in Laravel, Golang backend, HTML, CSS, JavaScript, Web3 fundamentals, and database management using MySQL and PostgreSQL. Skilled in collaborative teamwork, problem-solving, and translating business needs into reliable technical solutions that deliver real value.

Education

2023 - 2026

● Vocational High School Assalaam Bandung

Majoring in Software Engineering

I am an active student at SMK Assalaam Bandung, majoring in Software Engineering (RPL). Alongside my academic journey, I am actively involved as a school marketing representative, contributing to institutional promotion and outreach initiatives. I also participate in student journalism and have been involved in the publication of the book Serenade. Additionally, I serve as a Honda Safety Riding Ambassador, promoting safety awareness and responsible riding culture among students and the wider community.

Experience

● **Freelancer**

Fullstack Developer | Sep 2025 - present

Freelance Fullstack Developer experienced in building scalable web and mobile applications with a strong understanding of technical development and marketing strategy. Focused on delivering functional, growth-oriented products with clear communication and full project ownership.

● **PT Dwi Purwa Teknologi**

Junior Fullstack Developer | Sep 2025 - Nov 2025

Project: Developed a national-scale military psychology platform HI PSI using Laravel and Realtime WebSocket to deliver a secure, fast, and interactive user experience. Use Laravel 12, Realtime WebSocket, Bootstrap 5, and PostgreSQL.

● **SMK Assalaam Bandung**

Active Student | Jun 2023 - May 2026

I have experience in journalism, having written and published a poetry book titled Serenade, which strengthened my skills in writing, editing, and self-publishing; I was also trusted as a Student Marketing Team member at SMK Assalaam Bandung, contributing to school promotion and public outreach, and served as a Honda Safety Riding Ambassador, where I completed certified training and actively shared safety riding knowledge with peers and the local community.
